Re: Witness Unavailable Dates and Request for Date Certain
Docket No. 2017 – 207 – E; Docket No. 2017 – 305 – E; Docket No. 2017 – 370 – E

Dear Mr. Butler:

SCE&G's witness, George Wenick, will be traveling from out of town for these proceedings and we would request a date certain for his testimony during the break in sequence of the proceeding that is scheduled to begin on November 12, 2018. Mr. Wenick would request to testify at the conclusion of the testimony of the three witnesses who have already requested a date certain at that time.

Likewise, Ken Petrunik, another of our out of town witnesses is not available the week of November 19, 2018, should his testimony be delayed that long, and we would request protection for him during those dates.

Please let us know if we can provide anything further.

Sincerely,

/s/Belton T. Zeigler
